It was an honor to attend the 2013 Global Spin Awards in NYC, it was one of the most decadent events I've ever attend. The Global Spin Awards honors DJ's from across the country for their hark work and dedication. In attendance that night I captured **Swizz Beatz, Gucci Pucci (Rick Ross' manager), Vlad, Mysonne & Jack Thriller, Drama, Irie, Combat Jack, and Jazzy Joyce.**

I'd have to say talking with DJ Irie was the highlight of my night, he's the Miami's Heat DJ, and also one of the biggest icons in the World when it comes to DJ'ing. A second close was meeting Gucci Pucci, Rick Ross' manager, that guy is full of life, and he was wearing a pair of MMG (Maybach Music Group) loafers -- how ill is that!

Special thank you to Austin Rotter and Casey Stickle over at **5WPR** for making this all happen for myself and Dope Overdose. S/o to UFO Fev who was also in attendance.
