Global Spin Awards: The Winners!

The DivaGals loved attending the second annual Global Spin Awards—the Oscars for DJs. Emceed by music man in the know, MTV newser Sway Calloway, the night at the New York Times Center in Manhattan brought out the likes of Swizz Beatz, Big Daddy Kane and DJ Spinderella from Salt-n-Pepa. GSA named DJ Envy, who's produced for the likes of Funkmaster Flex, Foxy Brown, Juvenile and Fabolous, Artist of the Year, while DJ Marley Marl was the night's legendary DJ Award honoree. We had our own DJ Stiletto, also known as Mari Malek, the new face of Jabot Cosmetics, hit the carpet. "This is such a great way to recognize my incredibly talented fellow artists who take music to another level," she gushed. "I'm honored to be here." Scratch that!
